THE BIG IDEA

DIGITAL MARKETING IS MORE THAN POSTING ON SOCIAL MEDIA.

The modern digital marketer needs to understand how businesses attract attention, build trust, generate leads, convert customers and measure results.

The Techno Gurukul Digital Marketing Professional Program brings these skills together through a practical learning journey covering strategy, content, social media, SEO, advertising, analytics, AI, lead generation and client-ready execution.

THE LEARNING JOURNEY

FROM UNDERSTANDING TO EXECUTION.

The curriculum is not designed as a collection of disconnected tools or traditional 2018-style subjects. Students learn the complete digital marketing ecosystem through an integrated practical journey.
